

2025 ACT CHECKLIST

	YES	NO
I can move quickly through questions without feeling rushed.	<input type="checkbox"/>	<input type="checkbox"/>
I'm stronger in English and reading than in math.	<input type="checkbox"/>	<input type="checkbox"/>
I like interpreting graphs, charts, and experiments (science reasoning).	<input type="checkbox"/>	<input type="checkbox"/>
I have strong grammar, punctuation, and editing skills.	<input type="checkbox"/>	<input type="checkbox"/>
I don't mind answering reading questions that jump around, not always in story order.	<input type="checkbox"/>	<input type="checkbox"/>
I'm comfortable switching between different subjects (English Math Reading Science).	<input type="checkbox"/>	<input type="checkbox"/>
I prefer a paper-and-pencil test option — or want flexibility between paper and digital.	<input type="checkbox"/>	<input type="checkbox"/>
I feel confident using a calculator when needed but don't need one for every step.	<input type="checkbox"/>	<input type="checkbox"/>
I'm okay with reading long passages and answering detailed questions.	<input type="checkbox"/>	<input type="checkbox"/>

***If you have more
Yes responses,
the ACT is
probably the test
for you!***

2025 SAT CHECKLIST

	YES	NO
I prefer a slower-paced test with more time per question.	<input type="checkbox"/>	<input type="checkbox"/>
I feel comfortable working digitally on a computer or tablet.	<input type="checkbox"/>	<input type="checkbox"/>
I'm confident using a calculator, but also good at mental math.	<input type="checkbox"/>	<input type="checkbox"/>
I'm stronger in algebra and problem-solving than in geometry.	<input type="checkbox"/>	<input type="checkbox"/>
I can interpret short reading passages quickly and accurately.	<input type="checkbox"/>	<input type="checkbox"/>
I feel comfortable editing writing for grammar, punctuation, and clarity.	<input type="checkbox"/>	<input type="checkbox"/>
I'm strong at understanding vocabulary in context.	<input type="checkbox"/>	<input type="checkbox"/>
I excel at analyzing an author's argument and identifying evidence.	<input type="checkbox"/>	<input type="checkbox"/>
I prefer tests that focus on precision and close reading rather than endurance.	<input type="checkbox"/>	<input type="checkbox"/>
I like consistency — the test structure stays the same throughout.	<input type="checkbox"/>	<input type="checkbox"/>
